

THE STATE OF NEVADA  
CERTIFICATE OF APPROPRIATION OF WATER

WHEREAS John Yelland has presented to the State Engineer of the State of Nevada Proof of Application of Water to Beneficial Use, from Basin Spring through the a reservoir ditch pipe-line ditch ( and troughs ) for irrigation, power, stock (                      ) and domestic purposes, the point of diversion named in said application being as follows: at the spring which bears N 41° 44' 30" E, 37,131 feet distant from the SW corner of T 17 N. R 68 E, M.D.B. & M., - making said spring located approximately in the SW 1/4 Sec. 2, T 17 N. R 68 E, M.D.B. & M., unsurveyed, - and                     , situated in White Pine County, State of Nevada.

NOW KNOW YE, That the State Engineer, under the provisions of Section 29, Chapter XVIII, Statutes of 1907, has determined the amount of such appropriation as follows:

Name of appropriator John Yelland  
Postoffice address Taft, White Pine County, Nevada  
Amount of appropriation 0.025 cubic feet per second  
Date of appropriation December 7, 1910

~~Description of irrigated land~~ Description of works:-  
The water is impounded in a reservoir 10 feet in diameter, situated 10 feet below the spring, from whence it is conveyed through 24 feet of 1 1/2 inch pipe into three troughs, each 16 feet long, 18 inches wide, and 18 inches deep. The overflow from these troughs is conserved in a second reservoir of the same dimensions as the first. The reservoirs and troughs herein described are utilized for stockwatering purposes to the extent of 20 head of horses and 927 head of sheep.  
Description of use ~~other than irrigation~~

Stockwatering and domestic purposes

The right to water hereby determined is limited to the period between June 1st. and Sept. 30th. of each year for stock, and the use is restricted to the place where acquired and to the purpose for which acquired; rights for irrigation not to exceed three acre-feet per year for each acre of land for which appropriation is herein determined; Continued title to water depends upon beneficial use of water appropriated.

IN TESTIMONY WHEREOF, I, W. M. KEARNEY, State Engineer of Nevada, have hereunto set my hand and the seal of my office, this Thirteenth day of May, A. D. 1913.

*Wm Kearney*  
State Engineer
